ALEXANDER CASE CONTIN-

In the Bourbon Circuit Court Tues-Frui and Shade Trees, Shrubs, day, the case of the Commonwealth against George Alexander was called Grape Vines, Rhubarb, As- for trial, the case having been continued from the June term of Court.

Mr. Alexander, was in Court with his attorneys, Messrs. R. C. Talbott and W. H. Whitley, who asked the Everything for Orchard, Lawn Court for a postponement of the cases against their client, Mr. Alexander, until the March term of court.

In support of reasonableness of their request two affidavits were presented to the court alleging among other things that the attoneys for the defense had but recently been put into possession of the report of Mr. P. C. Snyder, the expert accountant, who worked on the books of the defunct Geo. Alexander & Company, State Bank, and on this account had not been able to familiarize themselves with the conditions at said bank to an extent necessary for the proper conduct of the immediate trial of the said defendant.

An extensive affidavit from Mr. Alexander, who is to stand trial on 32 indictments which alleged irregularities in the conduct of said bank, was also filed in support of the request of the defendant for a continuance to the March term of the Bourbon Circuit Court.

The Commonwealth, represented by Commonwealth's Attorney Victor Bradley, and County Attorney George Batterton, objected to any delay of the case, and it was finally agreed to set Mr. Alexander's trial for Monday, November 23.

The affidavit as filed by Mr. Alexander is as follows:

"The Trey O' Hearts"-A midern problem story written by Louis

Three things surround the heri. George Larkin, which, as it were, a triangle. There's the vindictive old man, Edward Sloman, as pure hate, one of his daughters as mixed hate -Nine new members were added to and love, and the other daughter, wealth of minor characters, some friends of the hero, some adherents of the old man. The villian and the hero are both rich men.

The prologue shows these two girls and the hero as children, and makes plain why the old man hated and helped to destroy te hero's father. The first reel of the picture proper begins with the villian's attempt to crush and destroy this son, now grown up. The villian's second card is the other daughter. She is by nature like her evil father, and her, he sends with a definite plan, this time to effect his death in the wilds of Canada. But fate again plays against the old man.

A Message In Woman

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak.

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. Hornung, 91 Stanton St., Buffalo, N. Y.

Was A Blessing To This Woman.

So. RICHMOND, VA.—"I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I cannot praise the Compound too much. It has been a blessing to me and I hope it will be to other women."—Mrs. D. Tyler, 23 West Clopton St., South Richmond, Va.

Pains in Side, Could Hardly Stand.

Lopi, Wis.-"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me."

—Mrs. John Thompson, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable (3) Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

TAKES OFF DANDRUFF HAIR STOPS FALLING.

Girls! Try This! Makes Your Hair Thick, Glossy, Fluffy, Beautiful.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first-yes-but really new hair-growing all over the

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing-your hair will be fluffy, and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxurance

Get 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that yous hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you sure can have beautiful hair and lots of it if you will just try a little Danderine.

Everybody who is afficted with Rheumatism in any form should by all means keep a bottle of Sloan's 'iniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, 'ender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house-against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments.
